

Broke: Stress, Money, & the Gospel
God & Cash: A Biblical Approach to Money

Luke 12

01.11.15

Driving thought: A biblical approach to money is to live in such a way that money is not your God.

Practical definition of a God: An all-powerful being from whom one receives his or her commands and directions for life.

How to live in such a way that money is not your God: (things the rich fool failed to do)

- Acknowledge the seductiveness of _____ – 12:13-15
- Allow the value of money to remind you of what is of _____ value – 12:15
- Respect hard _____ and reject class warfare-driven envy of other people's _____ – 12:16
- Prayerfully consult God's Word about _____ decisions – 12:17
- Live in light of our own _____ – 12:18-21
